I have an old coin or medal of copper. With an inscription on one side "I was in prison and yr came unto me" and figures of two persons a prison grating. On the other side are the letters "Nichols one. 5" other letters so dim that can not make them out. Can you tell me what it is and what is the value of it. and oblige

Asks value of old Copper
Coin.

It is a medal. we have nothing like it, nor can I find any it in any of our Catalogues. It is evidently a medal or copy of one presented by some Humane Society. to some one who has been visiting prisons.
